RE: Daniel Ortega's Trip
to Moscow

Dear George:

This is a what-did-you-know-and-when-did-you-know-it question. Did the Department of State (through its own channels or through other channels) know before Congress voted on aid to Nicaraguan contras that Ortega was going to Moscow? When did the State Department first learn of Ortega's trip in late April? Through what means did the State Department acquire this information?

Yours very truly,

Tom
